

31 MILLION *girls* ARE CURRENTLY OUT OF SCHOOL

Children WITH LITERATE MOTHERS ARE
50% more likely
to survive past the age of 5

Girls WHO COMPLETE SECONDARY SCHOOL
ARE SIX TIMES LESS LIKELY
to become child brides

In a world that tells girls they are unworthy of an education, **we are teaching them.**

EVERY DAY *women and girls*
all over the world

Spend nearly **200 MILLION HOURS**
WALKING FOR UNCLEAR WATER

Globally **1/3** of all schools
LACK ACCESS TO
safe water and sanitation

Where women and girls must walk for hours to gather dirty water, **we are providing safe, clean, water right in their village.**

27 MILLION *People*
around the world are in modern-day slavery

600,000 to 800,000 *people*
ARE TRAFFICKED
across international borders **every year,**
OF WHICH 80% ARE FEMALE
and half are children

Where human traffickers are snatching hope from young women, **together we are restoring them.**

MORE LIVES ARE LOST FROM violence against *females*
sex-selected abortion, female infanticide,
suicide, and sex-linked causes **than**
were lost during all of the wars
and civil strife of the 20th century

1 in 4 *girls* DO NOT LIVE PAST PUBERTY
making India
one of most dangerous places to be a girl

And where girls are told they aren't worthy of basic human rights like dignity, respect and life, **we love them as Christ does.**

*Stats pulled from Unicef, the U.S. State Department, and the United Nations.
